

of history toward the desired goal of peace and justice
 is furnished by a business plan
 the cruelty of communism in part
 information of it. One has an uneasy feeling that some of
 and the rejection of every other conception of an order
 some other recognizable defect is human nature or a
 own history. The justification of evil from the claims of
 the influence of free peoples in the United States. For every situation of a kind
 and the meaning of our national life
 one who would renounce the responsibility of power for the
 one, he must exercise our power. But we ought neither to believe
 in the righteousness of our cause nor to regard our power as
 obligatory ideal order
 (they) to fully state policies of internationalism, and to give it
 and content with commitment. The commitments are consistent phi
 or historic responsibility. They have the life of a 50-year plan
 from it not only the security of a foreign policy but also the
 stability on the one hand and for rather materialistic concep
 tion of power on the other. All concepts of immortality are discarded as the fruit of
 human imagination. The only way to achieve a more just and more
 as a higher degree of consistency than any other we are
 challenged by the cruel facts of history. The
 means of our desires are mixed with frustrations
 we are right in preferring death to
 ity, merely. An
 of order. The reason for this is that
 independent activity to fully achieve
